

HOW AUDIO AND VIDEO IMPACTS THE OUTCOME OF YOUR CASE.

This will be the post of my revised outline for my Power Point Presentation. Considering the plethora of audio and video recording devices, you need to be aware of the intricacies of how audio and video can be used to influence the outcome of your litigation. This lecture is *free* for law official groups and organizations wanting to better understand how Experts and Audio and Video can be used in a trial. Topics covered are; how Audio and Video evidence needs to be treated for admissibility, Expert testimony, creating compelling presentations and, strategically planning your audio video and or print presentation. This page is under re-construction. I am updating on case studies. However it is ready to go at anytime you want. Check back soon.
